Efforts to eliminate apartheid from South Africa

849. SHRI MAHENDARA PRASAD : SHRI MURLIDHAR CHANDRAKANT BHANDARE:

Will the Minister of EXTERNAL AFFAIRS be pleased to state what specific steps have been taken by Government through various international forums and diplomatic channels to being pressure to bear on the South African regime to give up their policy of apartheid during the last three months and with what results ?

THE MINISTER OF STATE IN THE MINISTRY OF EXTERNAL AFFAIRS (PROF. K.K. TEWARI) : India is one of the members of the Commonwealth Committee of Foreign Ministers on Southern Africa which met in Harare from February 6-8, 1989 in its third meeting in accordance with its mandate given by the Commonwealth Heads of Government under the Okanagan Statement and Programme of Action agreed to in Vancouver in 1987. The committee reviewed actions to intensify and tighten sanctions against South Africa, in particular the strengthening and widening of the arms embargo. It decided to intensify efforts to curtail South Africa's links with international financial institutions and to pur-suade countries which had not already done so to cut trade links with South Africa. The actions of the South African regime to destabilise the Front Line states were also reviewed.

Recently Government hosted the fourth meeting of senior officials of the Africa Fund Committee in New Delhi to pursue concrete measures of assistance to the Front line states and to the South African liberation movements.
